### **Tenderloin**

A prized cut of meat from the loin, this lean piece of meat is always tender. A delicious dining experience time after time.

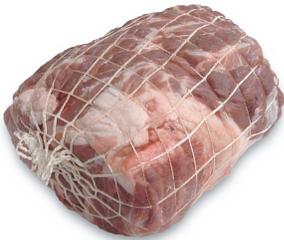

### **Natural or Savory Select™ Oven Ready BRT Roast**

Big, succulent and sure to impress. Always moist and delicious. Mouthwatering plate presentations await. Each roast is expertly marinated for perfect flavor in every bite.

### **Boneless Fresh Ham Roast**

This ham has the flavor of a fresh pork loin roast, but with the added benefit of being quite versatile. This makes a great roast for a large crowd.

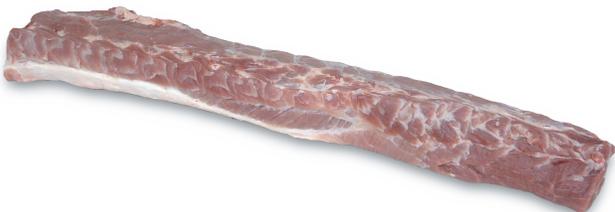

### **Boneless Pork Butt Roast**

Rich marbling in this roast creates a meat that is incredibly juicy and tender every time. A popular and inexpensive cut to use in shredded or pulled pork recipes.

### **Savory Select™ Boneless Split Loin Pork Roast**

A satisfying and savory meat that is the preferred choice for buffet style carving. An excellent alternative to the BRT Roast for smaller volume accounts. Deeply marinated to enhance the flavor through the whole roast.

### **Natural or Savory Select™ Boneless Canadian Style Pork Roast**

Moist and delicious roast each and every time. This versatile high yielding roast is a great option for healthcare facilities and restaurants serving sliced pork. Can also be cut into boneless center cut pork chops.
